

## **10<sup>th</sup> Annual Hook & Cook Festival**

I hope you and your family will come out to the 10<sup>th</sup> Annual Hook & Cook Festival on October 20<sup>th</sup> and 21<sup>st</sup>. This festival seems to get bigger and better each year! This festival would not be possible without the sponsor's monetary contributions as well as all of the volunteers that work so hard to make it a success. We are excited to see this year's vendors and the Fall Festival for Redcliffe Elementary.

Come out and enjoy the festivities and please buy a BBQ lunch while you are here on Saturday. The proceeds from the BBQ sales go directly the Hook & Cook to start planning for next year's event. Be sure to stick around for the Fishing Tournament weigh in at 3pm Saturday afternoon, it is always a must see!

Hope to see you there and please enjoy!
