From the Mayor:

I wanted to make you aware that the chipper is currently out of use. We are carefully considering our options whether to repair or replace. This decision will be made in conjunction with council. I ask for your patience during this process.

Thank you for all who are participating in the April Spring Cleanup. The dumpsters are located behind Town Hall during the month of April. Please make sure to put spring cleaning items in the dumpsters provided, not on the ground.

Per Advanced Disposal the following items should NOT be put in the dumpsters:

- NO Household Trash
- NO Yard Debris
- NO Tires
