

## **Parks Update-10/18/2017**

The new playground equipment at Thornton Park is being installed this week. We hope you will enjoy this new equipment.

The Town received a grant of over \$30,000 to purchase this equipment. We have written an additional grant to purchase playground equipment for DeSoto Park. We will keep you informed on its progress.

We hope you enjoy our parks!

*Mayor Etheredge and Council*
