

Town of Jackson Joins the Hometown Heroes Banner Program

The Town of Jackson is proud to announce its participation in the Hometown Heroes Banner Program, an initiative that honors the men and women who have honorably served in the United States Armed Forces.

This program allows families and community members to recognize their hometown heroes with personalized banners featuring the service member's photograph, name, and branch of service. The banners will be proudly displayed twice each year along Highway 125 through the heart of the Town of Jackson, creating a visible and meaningful tribute during patriotic seasons.

Residents are encouraged to participate by submitting an application through the Aiken County Veterans Council Hometown Heroes Program.
